

Thank You's

I just wanted to take a minute to let you know how much Joe and I appreciate the new district office location. It's absolutely perfect. It's been exciting watching the office become what it should be. We've had a clergy person stay there for 6 weeks while they found housing as they went through a divorce, we have another pastor who just likes to stop by to do work in preparing for Sunday and to socialize, of course. There's also a new performing arts ministry starting up in the district and the group has been able to utilize the office for meetings, video recording, and storage. A member of the group sent me a message today saying how much they love being able to use the office to launch this new ministry. It's exciting! We couldn't do all of this before! My dogs like it too, because they get to go to work with mom.

I feel that the people at Stout need to know what a blessing the house has been and how much Joe and I love being there. So, thank you!

~Blessings, Davina

Dear Church Family,
I want to thank all those that have prayed for me during this time of my hip replacement. I am doing very well and feeling better each day. Therapy is going well and I will continue it till they say I don't need it anymore. God Bless all of you!
